Monday thru Thursday: Orders must be **received by 1:00 pm GMT**

Friday: Orders must be **received by 9:00 am GMT**

Expedited Shipping Options represent **actual manufacturing time** (*work days only*).

They are **NOT** to be taken as guaranteed delivery time.

Actual delivery time depends upon the Freight Carrier.

Expedited Service orders are accepted **ONLY** after it has been confirmed that all necessary parts and components are in stock. Scancon will notify the Buyer if the requested Expedited Service is not possible.
